This day includes breakfast at Banana Wharf in Ocean Village, Southampton, followed by Bucks Fizz served on board. After a short safety briefing we set off, making our way up Southampton Water, viewing any Cruise Ships or Liners that are in port & taking time out to cruise up the River Hamble, one of the sailing meccas' of the world. We then power up & head along The Solent, towards the western tip of The Isle of Wight, where we can drop anchor in the picturesque Allum Bay for a while to admire The Needles before calling into Yarmouth.
